2010 Fort Frances Summer Power Skating Camp this August 16-19. The Camp is run by Superior Stride Power Skating and I am the Head Instructor, Craig Priestley. We have been running successful Camps in Thunder Bay, Kenora, Vermilion Bay and Manitouwadge for the past 2 years and are excited about our first Camp in Fort Frances this Summer. I have over 12 years of experience in Power Skating and a degree in Kinesiology (study of Human Movement). Our Camp guarantees the players skating improvement!

As mentioned this is a new Camp to the Fort Frances area and any/all help to make this a success is greatly appreciated. I was hoping you may be able to forward the attachment to coaches or players on your contact list so they are aware of this opportunity during the Summer. Thank you very much in advance and if you have any questions about Superior Stride Power Skating or any of the programs we offer to Minor Hockey Organizations please do not hesitate to contact me.
