

Fort Frances Minor Hockey Association

Hi everyone. Hope you have been enjoying the break from hockey so far.

First of all we would like to again thank all of the Conveners, Coaches and Volunteers that helped in anyway last year. We have placed an advertisement in the FF Times and on our website for AA & A coaches, Conveners, Sr. Ref in Chief and the new Jr. Ref in Chief's position. <http://www.fortfranceshockey.com/?q=node/666>

We will also be looking for assistance on a few committees this year so I thought I would give everyone a heads up so they can consider some of these positions. The board will be discussing these issues in the upcoming summer months but here are a few of the areas that may need people to help.

1. Awards and Trophies
2. Banquet committee
3. Equipment coordinator
4. Scheduling
5. Tournament(s) coordinator
6. Photographs (setting up and arranging team pictures)
7. Sponsorship committee
8. Or any other committee that you think should be included.

Please give this some consideration or if you know of someone whom may be interested pass it on to them. I know there were many people that had some great ideas on how the board should have handled many of these issues and where we should be headed in some different areas for the future.

If you would like to help us improve our association, now is the time to come forward with your input and to start getting some of these ideas and committees together. If there are any other issues or ideas that you believe we should be dealing with for next year please let us know. The more people we have helping out the better our season will be.

Please don't wait to see if someone else will do it first, if you feel strongly about helping and the direction our hockey organization should be heading, please get involved now. Your input and assistance will be greatly appreciated.

If you have any questions or concerns please contact any of the board members or myself.
